## Misgav Venture Accelerator Reveals New Look at BioMed Israel 2007

The new name and logo

The new Misgav name tag

Some of the Misgav booth visitors at BioMed Israel 2007

Misgav's VP Business Development, Ishay Attar (upper right), meets with some of the Misgav booth visitors at BioMed Israel 2007

Representatives from two Misgav companies meet at the BioMed booth: Pierre Shavit (left), Pro-IV founder, and Tamir Levital, Headway's CEO

The side wall of the booth lists all of Misgav's portfolio companies involved in life sciences (medical devices, biotech/pharma)
