

Saviva Capital LLC Commits to Participate in Trendlines' Bid for Israel Government Incubator Franchise, Invest US\$ 9.2 Million

The Trendlines Group Ltd. and Saviva Capital LLC signed a binding memorandum of understanding to jointly submit an application through Israel's Office of the Chief Scientist (OCS) for the Trendlines Agtech technology incubator license.

Misgav, Israel, December 9, 2015 – The Trendlines Group Ltd (“The Trendlines Group”) (SGX:42T) announced today that [Saviva Capital](#) will join the Company in submitting a joint application to Israel's Office of the Chief Scientist (OCS) for operating an incubator focused on agriculture and food technologies. Under the memorandum of understanding, Saviva has committed to invest \$9.2 million - \$4.2 million over ten years in the incubator, and \$5 million as direct investments in its technology start-ups in agriculture and food. The competitive tender application is due for submission later this month.

Saviva Capital LLC is a Boston-based private investment company focused on “renewable” businesses that deal with cost-effective production and efficient management of essential resources (food, energy, and basic materials). Together with other private investors, Saviva facilitates highly transparent and economical investments for their and other family offices. Saviva is also a non-substantial shareholder in The Trendlines Group.

In his remarks about the agreement, **Steve Rhodes**, Chairman and CEO of The Trendlines Group, comments, “We are very excited about the opportunity to cooperate with Saviva Capital. Their focus on renewable businesses in the food area is a perfect fit with our vision, and their added value goes well beyond capital to a great depth of industry knowledge and experience.”

Matthew Bradfield, Founder and CEO of Saviva Capital LLC, adds: “This memorandum of understanding with The Trendlines Group is a win-win for both parties. It allows Trendlines the opportunity to further its investments in promising agriculture and food technology ventures and gives Saviva direct access to investments in the technologies that truly fit our mission.”

About The Trendlines Group Ltd.
