

**THE TRENDLINES GROUP LTD.**

(Incorporated in Israel)

(Company Registration No. 513970947)

**Change to Half-Yearly Reporting of Financial Results**

The board of directors (the “**Board**”) of The Trendlines Group Ltd. (the “**Company**” and together with its subsidiaries and associated companies, the “**Group**”) refers to the amendments to Rule 705 of the Listing Manual Section B: Rules of Catalist of the Singapore Exchange Securities Trading Limited (“**Listing Manual**”), which took effect on 7 February 2020, in respect of quarterly reporting of financial results.

The Board wishes to update shareholders of the Company (the “**Shareholders**”) that the Company will be ceasing its quarterly reporting of financial results as the Company is not required by the SGX to report its financial results on a quarterly basis pursuant to the revised Rule 705 of the Listing Manual. The half-yearly financial reporting cycle, with continuous disclosure in accordance with the Listing Manual, will enable the Company to report on the business growth of the Company with a longer-term reporting cycle more appropriate to the Company’s business, where revenues are irregular in nature.

In view of the above, the Company will, in respect of its current financial year and subsequent financial years, announce only the financial statements of the Company for its first half financial year ending 30 June by no later than 45 days after the end of the financial period, and for the full financial year ending 31 December by no later than 60 days after the end of the relevant financial year. This arrangement is expected to continue as long as the Company does not trigger the criteria to mandate quarterly reporting as set out in the revised Rule 705 of the Listing Manual.

The Company is cognizant of the importance of regular and transparent communication with Shareholders. We issue a monthly update to Shareholders, organize investor meetings from time to time, and publish press releases on Company news to keep Shareholders well-informed on business developments of the Company. The Board would like to assure Shareholders that the Company will continue to keep Shareholders updated on material developments relating to the Company or the Group, as and when appropriate, in accordance with requirements of the Listing Manual.
